

### **Who are we?**

We are the people who welcome home war veterans with honor by provide quality readjustment counseling in a caring manner. Vet Centers understand Veterans' war experiences while assisting them and their family members toward a successful post-combat adjustment in or near their community.

We are staffed a small multi-disciplinary team of dedicated providers, most of whom are combat Veterans themselves.

### **What is Readjustment Counseling?**

Readjustment counseling is a wide range of psycho-social services offered to eligible Veterans and their families in the effort to make a successful transition from military to civilian life. It can include:

- Individual and group counseling for Veterans and their families
- Family and Marriage counseling for military related issues
- Bereavement counseling for families who experience an active duty death
- Military Sexual Trauma (MST) counseling and referral (Regardless of combat status)
- Substance abuse assessment and referral
- Employment referral
- Veterans Benefits explanation and referral
- Screening and referral for medical issues including Traumatic Brain Injury (TBI) depression, etc.
